MONROE COUNTY 4-H STEM-STRAVAGANZA WEEK SCHEDULE:

SUNDAY: SUMMER SUNDAY

MONDAY: MAKER MONDAY *(see below)*

TUESDAY: TASTY TUESDAY

WEDNESDAY: WELCOME TO SPACE WEDNESDAY

THURSDAY: SERVICE THURSDAY

FRIDAY: HUMAN IMPACT FRIDAY

SATURDAY: THAT'S A WRAP!

August 3rd
STEM-stravaganza Maker Monday: Code in Scratch!

10:30-11:30
Level 1: https://cornell.zoom.us/meeting/register/tJ0r-du6rpz0uHdRr1StJ4wVlYonMNVrkeRgT
For beginner coders! Learn to code a game using a block based coding language Scratch. Youth will create a racing game in scratch and discuss basic coding terms, such as what is a conditional statement, and how to use it in your programming.

3:30-4:30
Level 2: https://cornell.zoom.us/meeting/register/tJIp-dOCgqTlsHtBKg6Bp1flDq-SFa2KSDRt4
For coders with some previous coding experience. Using drag-drop blocks and JavaScript youth will create a Star Wars themed game. Youth will take a deeper look into coding and what events can do when creating computer games.

If participating, and sharing video or photos of youth, please complete the CCE-Monroe Photo Release Form.

These activities will be on Facebook and open to anyone, however, registering will give you special perks. You will receive reminders and be entered to win special incentives.

THIS PROGRAM IS FREE.

Register HERE by Friday, August 7.

Contact Jessica Reid at jar642@cornell.edu with any questions.

Did you miss the activities from Weeks 1, 2 or 3? Check out our posts on Facebook!

STEM — Science·Technology·Engineering·Math

New York State 4-H

TODAY!

All are welcome!

Virtual Statewide Hour of Code
Create a Game Using Scratch

Wednesday, July 29 @ 6PM

LET'S CODE

Hour of Code is an introduction to computer science, designed to demystify "code" and show that anyone can learn together the basics to be a maker, a creator, an innovator!

This program is for youth ages 7-12 and requires an adult chaperone to join.

HOUR OF CODE · NEW YORK STATE 4-H

Via Zoom: https://cornell.zoom.us/meeting/register/tJAocO2opzMrHt1yc_IL8o-tF97dVtmEcyp4

4-H YOUTH PROJECTS

Below is a link to a form in which youth can share a little bit about this year's project work. This is a self-evaluation of project work with the option to receive feedback.

Youth may submit ONE entry per project area, and project areas include Animal Science and Youth Building options.

This option is available to ALL 4-H Youth.

To submit projects please use this google form.

Submissions must be received by August 1st in order to be included in the slide show.

❀ MONROE COUNTY 4-H LIBRARY PROGRAMS ❀
Kitchen Scrap Gardening
● via Zoom ●
Friday, August 7 ● 2 p.m

Hosted by the Chili Public Library Registration is required.

Monroe County Library System — ASK YOUR LIBRARY TO HOST A 4-H PROGRAM!

LIBRARY PROGRAM:
CLICK GRAPHIC FOR MORE INFORMATION.

Don't waste those kitchen scraps! Learn how to reuse them to grow something new at home. Covers what kinds of plants you can regrow and how to regrow them. Geared for grades 4-7.
