MONROE COUNTY 4-H to present:

4-H EXHIBITS & 4-H ANIMALS
PRODUCED IN NYS DEMOS
4-H PUBLIC PRESENTATIONS
TURKEY & CHICKEN BBQ EVENT

CONTACT MONROE COUNTY

4-H Staff

The Strong is coordinating a very special event, and has offered a space for Monroe County 4-H youth to have exhibits on display, hold a *Produced in New York* cooking demonstration, demonstrate a Chicken BBQ Poultry event, give public presentations, and have animals on display. This is shaping up to be a fantastic event with youth from nearby counties participating with Monroe County 4-H participants!

Produced in New York

Produced in New York (PINY) program is designed to showcase the wide variety and use of agricultural products grown right here in New York. [Details here.](#)

Turkey and Chicken BBQ Event

A favorite event for 4-H Poultry Project members is the Turkey and Chicken BBQ Event. It is important to note that participants will be responsible for their own equipment, supplies, and food. This event will be held on Friday, August 28th at 9 a.m. [Details here.](#)

Public Presentations

Would you like to experience giving your public presentation to a live audience? If you are interested in sharing your presentation, please see the [Sign-Up Genius page here.](#)

Public Presentations event will be held on Tuesday, September 1st.

4-H Animals

Do you have a favorite 4-H project animal that you would like to share with Museum goers? Museum attendees will not be petting animals for liability reasons and the museum has requested one exhibit at a time for animals. There are many days for sign-ups available on the [Sign-Up Genius link.](#)

4-H Exhibits

Do you have a 4-H project that you are proud of? It's possible to have it on display at The Strong Museum from August 24th to September 7th. You will even receive feedback on your exhibit from Museum Curators! You can register your exhibits [HERE.](#) Please let us know what you plan to bring by Monday, August 17th. This will help us plan. [Full requirements & details here.](#)

PLEASE REACH OUT TO SUSAN COYLE WITH ANY QUESTIONS OR IDEAS AT SMC226@CORNELL.EDU
