## Bring Ag Literacy Week to your classroom!

2020 Ag Literacy Week Book

## Agricultural Literacy Week is March 16-20, 2020

### How Does Agricultural Literacy Week (ALW) Work?

In celebration of New York agriculture, volunteers throughout the state will read a book with an agricultural theme to second graders. Students and teachers will also benefit from hands-on lessons and receive follow up activities.

The book will be donated to the school or classroom library with a bookplate recognizing the donor and NY Agricultural Literacy Week. 2,000 books were donated last year and thousands of second graders participated in hands-on, educational, and fun activities.
