

Second Annual
Wildlife Habitat Education Program
WHEP-Xpedition

Friday, August 28, 2020

Time: 10:00am - Noon Time Limit

Location: Virtually

Do you want to live the Wildlife? Then let us WHEP you into shape!

MUST BE 10 YEARS OF AGE OR OLDER AND MUST BE A REGISTERED 4-H MEMBER

WHEP is a knowledge competition where youth learn about different species of birds, mammals, amphibians, reptiles, and where they live. This year we will focus on what habitats animals live in. We will have a more national perspective.

The program is based on the National 4-H Wildlife Habitat Education Program which offers an annual competition. Currently, NYS does not send 4-H youth to the National 4-H Wildlife Habitat Education Program competition. However, should enough interest arise, facilitators will explore the opportunity for 2021.

Schedule:

Friday August 28:

10AM until Noon—WHEP Competition via Kahoot. There will be separate Kahoots for Juniors and Seniors.

1:30PM—WHEP Zoom. We will announce the winners during a Zoom call at 1:30. We encourage all participants to Zoom in if they can.

Prizes: Top Prize will be a copy of Pocket Guides of New York Wildlife for places 1-3.

Top Team will receive a used copy of Alfred Godin's Wild Mammals of New England, which has scientific descriptions and dental formula OR another book of wildlife of North America.

All prizes will be shipped to your county's office for distribution.

In order to receive the link to the Kahoot, you must pre-register by Wednesday, August 26 at 4:30PM by emailing John Bowe jfb32@cornell.edu

Age Groups:

JUNIORS must be at least 10 by the date of the event and must not have reached the age of 14 as of January 1.

SENIORS must have reached 14 by the date of the event and be less than 19 as of January 1.

Brackets:

Individual, Team (we will group single youth together to make teams or a county can be a team).
