About Ag Literacy Week

In celebration of New York agriculture, volunteers throughout the state will read a book with an agricultural theme to second grader students. Students and teachers will also benefit from hands-on lessons and receive follow up activities.

About this year's book

Chuck's Ice Cream Wish (Tales of the Dairy Godmother)

Written by Viola Butler | Art by Ward Jenkins

Chuck's Ice Cream Wish (Tales of the Dairy Godmother) highlights the dairy industry with vivid illustrations and a humorous storyline. Students will understand the importance of agriculture as an economic driver in communities across New York and develop an awareness for where their food comes from and its journey.
