How to:

- 1) Print out passport cover page and internal page single sided
- 2) Starting with the first page, fold in half horizontally and then fold in half again so that "Passport" is on the front page. This will serve as the outside of your passport. See photo below for reference.

3) With the second "Parks visited" page, follow the same folding method as above. This will serve as your internal pages. See photo below for reference.
