

Monroe County 4-H Wednesday Weekly April 7, 2020

KAHOOT WEBINAR WEDNESDAY, APRIL 8TH - 4 PM

This webinar will cover how to use the application, and create and share quiz games with your friends, family, or clubs.

The structure of the training will involve an opening ice breaker, followed by a guided tour of the app's capabilities, and examples of the kinds of quizzes that can be made, and a Q&A at the end.

When you are getting ready to join the call, feel free to get comfortable and bring your favorite beverage to enjoy as we all collaborate together and create some more joy during these strange times!
