**Bring Ag Literacy Month to
your classroom!**

2021 Ag Literacy
Week Book

March is Agricultural Literacy Month

How Does Agricultural Literacy Month Work?

In celebration of New York agriculture, volunteers throughout the state will read a book with an agricultural theme to second graders. Students and teachers will also benefit from hands-on lessons and receive follow up activities. The book will be donated to the school or classroom library with a bookplate recognizing the donor and NY Agricultural Literacy Week. 2,000 books were donated last year and thousands of second graders participated in hands-on, educational, and fun activities.

Sign your classroom up for this FREE program!

Duration of program is 30 minutes.

Contact Monroe County Coordinator Jessica Reid, jar642@cornell.edu with any questions.
