

Solar & Ag in Monroe County: What You Need to Know

Cornell Cooperative Extension
Monroe County

Brighton Memorial Library

2300 Elmwood Avenue, Rochester, NY 14618

Thursday, January 23, 2025

9:30 AM—2:30 PM

Join Cornell Cooperative Extension for an info session about solar development on agricultural land.

Solar development is becoming widespread in Monroe County. Experts from Cornell faculty, MRB Group, American Farmland Trust, and Colligan Law LLP will provide updates about this activity and address some of the critical issues. Farmers and landowners are encouraged to participate!

See [Agenda](#) for more details. Register [Here](#) or use the QR code.
